

COMMUNITY EXPECTATIONS

(Non-Negotiable)

The following activities are not permitted at this or any diocesan youth event:

- Use of illegal drugs
- Consumption of alcohol
- Engaging in sexual activity
- Harassment of participants, staff or volunteers

Violators will be sent home immediately.

- Respect each other (as individuals, each other's spaces and property). If you feel you are not being respected or are being made to feel uncomfortable, please speak with a Youth Synod staff person.
- The use of iPods and cell phones is not acceptable during Small Groups, Synod Proper sessions or during worship. These devices are disrespectful of what is going on around you and limit your ability to take part.
- We do not support smoking for under-age participants but will allow a **limited smoking area** for those who arrive with this need. The church is a SMOKE FREE Building! Please use butt cans provided and keep the area clean! Please limit smoking to free time and do not share cigarettes.
- You are expected to remain on the premises (at the church) unless you have made other arrangements with Joyce Wilton. **Please sign out and in with the MC's.**
- **Lights Out** in sleeping areas and **Program Shut Down** for Friday and Saturday are listed on the agenda. Building lock up (this is for our protection) will be **12:00 a.m.** After lights out, the building must be QUIET!
- In case of fire, please make your way outside to the church parking lot and gather close to the church in SYNOD TABLE groups to allow for a head count.
- If you need to make a long distance phone call, you will have to speak with Joyce Wilton, Christyn Perkons or the Volunteer Staff.
- **No nut products allowed.** We will be providing plenty of snack and great meals!
